

Child Protection

CHCPRT025

Identify and report children and young people at risk

Do you work with children or young people?

Would you notice the signs and indicators of risk or know how to help prevent the harm of a child?

The CHCPRT025 Identify and report children and young people at risk unit, describes the skills and knowledge required to support and protect children and young people who are at risk of harm.

This unit applies to workers in a range of roles providing services to children and young people including community services and health contexts. This unit forms part of the CHC30121 Certificate III in Early Childhood Education and Care, and the CHC50121 Diploma of Early Childhood Education and Care and assists Approved providers maintain compliance with Regulation 84 of the National Regulations.
